

Academic Performance 2014

Early Years:

All pupils at the end of the Reception year are assessed by their class teacher against the Early Learning Goals in 17 different areas. Pupils are judged to have reached a 'Good level of Development' if they are working at the expected level in the prime areas of learning (personal, social and emotional development, physical development and communication and language) and the specific areas of mathematics and literacy.

At Grove Primary we are very proud of our success and improvements made in the Early Years:

% of pupils achieving a Good level of Development	Grove Primary	Suffolk	National
2014	62	59	60
2013	52.3	42	52

Phonics Check:

All pupils are tested on their phonic ability at the end of Year One. Again we have seen a significant improvement in our results, especially compared to National results:

% of pupils passing the Phonics Check	Grove Primary	Suffolk	National
2014	86	73	74
2013	60	68	69

Key Stage One:

Pupils are assessed in the subjects of Reading, Writing and Maths at the end of Year Two. Key Stage One SAT tests are used to inform the teacher's assessments. We are proud of the increases we have made from 2013 and we are delighted we are working ever closer to National Standards.

% of pupils achieving the national expectation of Level 2	Grove Primary		Suffolk	National
	2014	2013	2014	2014

Key Stage Two:

Year Six pupils sit National tests at the end of the year with Level 4 being the National expectation. The pupils sit tests in reading, grammar and spelling, and maths. Their writing level is evidenced from their extended writing across the year. The impact of the whole school focus on reading last year is especially evident in Key Stage Two:

	Grove Primary		Suffolk	National
	2014	2013	2014	2014
Level 4+ in reading	84	69	86	89
Level 4+ in writing	95	85	82	85

Level 5+ in maths	30	15	36	42
Combined Level 4 in reading, writing and maths	70	62	73	65 is the floor target

We are particularly proud that 2 pupils achieved Level 6 in maths in the tests, which is based on GCSE work.

Due to our increasing popularity almost one-third of the Year Six pupils joined us during the last two years, giving us less time to help these pupils attain the expected level and make the progress we would expect.

More important to us is ensuring every child achieves their full potential and makes the expected progress from Key Stage One irrespective of their starting point:

% of pupils making expected progress from Key Stage One	Grove Primary		Suffolk	National
	2014	2013	2014	2014
Reading	81	54	87	91
Writing	95	90	89	93
