

Parent Questionnaire October 2022

Dear Parents and carers

Thank you very much for taking the time to complete the Parent/Carer Questionnaire. We have been busy analysing the outcomes. We had 109 responses.

We have analysed the returns as a whole school, as well as individual Key Stages (e.g. EYFS, Key Stage 1, Lower Key Stage 2, and Upper Key Stage 2.) This is so issues specific to Key Stages, which may affect the overall whole school outcomes, can be supported and explored at Key Stage Level.

The questionnaire has provided us with a good overview of parent's views and has highlighted some areas for development. Overall, we are pleased with the positive responses and it is evident that the vast majority of parents/carers are in support of the recent school improvements, actions of the Leadership Team, and quality of Education as we look forward to sharing our Ofsted Report with you as soon as it is available.
