

GROVE NEWS

Spring Term (1) 2023

Dear Families,

We are excited to share that we are in the process of setting up a Community Hub to help support our families and local community. We have a large range of new & used uniform available in our school hall which is entirely free of charge. We will also be running sessions for parents & carers relating to key aspects of school life as well as welcoming agencies from the community to host workshops. A full timetable of events will be shared via Parentmail during next half term and if you have any suggestions for how we can grow this further we would love to hear from you. We are also working in partnership with Westwood Primary to open a food bank for the families of both schools. We are currently taking donations for this of non-perishable items, such as tinned produce, cereal, rice, as well as sanitary & personal hygiene products including nappies. We thank you in advance for your support of these projects and hope that together we can make a real difference to our local community in these challenging times.

World Book Day is coming up next half term. This year we will be celebrating throughout the week commencing Monday 27th February and we have a range of activities planned, including fancy dress, a book exchange and reading buddy events. More information has been sent out via Parentmail so if you haven't received this, please contact the school office or speak to your child's class teacher.

We love hearing about the activities our children take part in outside of school and we like to share these each week in our Celebration Assemblies as well on our social media pages as part of our Active Lifestyles awards. If your child attends any clubs outside of school or has achieved any awards and you are happy for us to share them online then please email the school office with a photo or video and a short explanation of what it is they do.

The Norwich Science Festival is back for the half term holiday. There are lots of events taking place throughout the week suitable for all age ranges. This year, there are also events happening at East Norfolk Sixth Form College in Gorleston. Head to <https://norwichsciencefestival.co.uk/> to see what's on.

Once again, thank you for your continued support of our school, it really is our pleasure teaching your children and working with our local community.

We are so Proud to be Grove!

Enjoy the half term break and we look forward to welcoming the children back on

Monday 20th February.
Mrs Aldous & Ms Creed

Pre-school, Nursery & Reception

Nursery and Pre-School

In Nursery this half term we have been learning about our bodies and the five senses. We started by thinking about our bones and skeletons. Then each week we focused on one of the five senses - smell, touch, taste, hearing and sight.

We made milkshakes when reading the story 'Oliver's Milkshake', identified sounds when we read 'Peace at Last' and looked through different coloured glasses for 'Brown bear, brown bear, what do you see?'

For Phonics our focus has been rhyming, listening carefully to identify words which rhyme. In Maths we have been using new vocabulary to describe patterns and have been learning how to make 2,3,4,5 and 6.

Reception

In Reception our topic has been '3,2,1 Blast Off!' the children found a UFO crash landing site with a note from aliens Zecky and Gara! They asked the children to teach them more about the planet they had landed on. We read 'Here We Are' to learn more about our planet and made posters to tell the aliens about Earth. We read 'Michael Recycle' to discuss how to care for Earth and went on a litter pick around the school.

The children have been working hard to sort their rubbish in the classrooms and to put it into the most suitable bin. We have started using compost bins at snack time. We read Man on the Moon and wrote a fact file about its features.

We also experimented to see the effects of gravity! The children also spent a day making their own space helmets and were excited with the arrival of Astronaut Bob! He came in and read a story to the children and answered all of their questions about working in space!

Years 1 & 2

This half term in Key Stage One, we have been learning all Victorians. We kicked off our topic with a fantastic Victorian school day - thank you for all of your brilliant the children wore. We had the best day as Victorian school children.

We have been enjoying Gymnastics this half term, where we have been developing balance on points and patches (large and small areas of the body). We have been also adding in our own transitions between them.

We have also have had fun creating Punch and Judy shows and using paint to create different marks.

Next half term we will be learning all about 'Down under and beyond', our Australian themed topic. As well as beginning our Woodlands learning again, please send children Woodlands kits (wellies, wet weather gear or old bottoms and a jumper) in to school in place of their Outdoor PE.

Years 3 & 4

This term we have studied Crime & Punishment, we have learnt about why some of these are no longer in place and the reasons why.

We have had HSBC visit us also to help us think about budgeting.

We have been working on our painting skills and looking at shading skills.

Our superb writers have received a letter from Pixar for their fabulous narrative of The Blue Umbrella.

Years 5 & 6

This term we have looked at our topic of Journeys. This has been spent looking at the Windrush and Kindertransport - the children have been really engaged in these areas of learning.

We had HSBC visit us this term to teach us about spending our money wisely.

Within Science learning we have looked at classification where we have grouped plants, animals and even biscuits. We even presented our research to our class.

We have been playing Football in our PE sessions and it has been great to see the participation and enthusiasm of all.

Sporting Success

Tournaments

This half term has been jam packed with event after event and it has been another very successful one with lots more medals and trophies won!

Some of the highlights were:

Both teams bringing home medals in the Year 1 & 2 matball tournament where our B team placed 3rd and our A team placed 1st—a special mention must also go to Emily who won one of the players of the tournament!

Our Year 6 basketball team taking 1st place and our Year 4 girls football team taking 2nd place in their tournaments.

We have also taken part in some inclusion festivals which has given a lot more children the opportunity to create friendships through sport on that wider scale.

Sports Clubs

This half term was very busy with a large number of before school, lunchtime and after school sports clubs on offer. It was great to see so many children joining in and keeping active. If there are any sports clubs you would particularly like to see on the timetable, do speak to Mr Fisher and we will see what we can do for future sessions.

Upcoming Fixtures

We have confirmed lots of tournaments for next half term and are hoping to add more to the fixtures list as they become available. We will, of course, keep families updated and endeavour to include as many children as possible in these events.

Wednesday 1st March	Boccia County Finals @ Water Lane
Wednesday 1st March	ALT Years 1 & 2 Skittleball
Thursday 2nd March	NSSP Year 3 Skittleball
Wednesday 8th March	ALT Year 4 Girls Football
Thursday 9th March	NSSP Year 3 Quick Cricket
Wednesday 15th March	NSSP Years 5 & 6 This Girl Can Festival
Thursday 16th March	Year 4 Dodgeball County Finals
Thursday 16th March	ALT Year 6 Boys Football
Tuesday 21st March	NSSP Years 5 & 6 Futsal
Thursday 23rd March	ALT Years 5 & 6 Quick Sticks
Wednesday 29th March	NSSP SEND Easter Event
Thursday 30th March	NSSP Years 5 & 6 Quick Sticks

#BETHEBESTTHATYOUCANBE

Diary Dates

There will be more events taking place and we will let you know as soon as possible!
Events in purple are the ones we would love families to join us in school for.

Friday 10th February	Last Day of the half term
Mon 13th–Fri 17th February	Half Term Holiday
Monday 20th February	Children return to school
Tuesday 21st February	14:00–15:00 Speedwell family share session–Maths
Wednesday 22nd February	14:00–15:00 Rose family share session–Maths 15:15–16:15 Years 3 & 4 TT meeting for parents/carers
Thursday 23rd February	14:00–15:00 Honeysuckle family share session–Maths 15:15–15:45 Years 5 & 6 SATs meeting for parents/carers
Monday 27th February	14:15–15:15 Years 3 & 4 family share session–Reading
Tuesday 28th February	10:00–11:00 SEND café for parents/carers 14:15–15:15 Years 5 & 6 family share session–Reading
Wednesday 1st March	World Book Day–Book swap
Thursday 2nd March	World Book Day–Fancy dress Marina Theatre workshops with Years 3, 4, 5 & 6
Monday 6th March	Reception family share sessions–during this week
Monday 13th March	Class Photos Years 3 & 4 – Gull Wing speaker visiting Nursery family share sessions–during this week
Monday 20th March	Climate Change theatre performance in school
Tuesday 21st March	Years 5 & 6 @ Pakefield High performance
Mon 27th–Wed 29th March	Parent Interviews
Thursday 30th March	Easter Services
Friday 31st March	Last Day of the half term
Monday 3rd–Fri 14th April	Easter Holiday
Monday 17th April	Children return to school

HOUSE POINTS

The totals for this half term are:

Diamond = 1,366

Ruby = 1,023

Emerald = 1,266

Sapphire = 1,271

Congratulations **Diamond** your house captains are busy organising your treat!

ATTENDANCE

02.1.23	Elder	98.3%
09.1.23	Oak	98.6%
16.1.23	Elder	100%
23.1.23	Buttercup	99.6%
30.1.23	Elder	97.6%

Elder have now received 4 awards in total and so win a breakfast.

EXTRA CURRICULAR ACTIVITIES

We have another fantastic range of clubs available from Monday 20th February. You can sign your child up via Parentmail but if you have any problems doing this, please contact the school office.

Spring 2 Clubs 2023 **P.E SHED/ SCHOOL STAFF**

Day	Lunch 12:00pm - 1pm	After School 3.15pm - 4.15pm
Monday	Music and Meditation Library drop in	Film Club (KS1 and KS2) (Miss Williams) Spanish Club LKS2 - 20 Max (Mrs Welch) YR6 Maths Booster - Invite only (Miss Fayers) Mindfulness club (coloring, meditation and Yoga) Mrs Usher (KS1 and KS2) Woodwork Miss Spry and Miss Butterfield - 10 max Yoga - Yr 3 & 4 - max 12 (Miss Gore) LKS2 Cricket
Tuesday	Construction Library drop in	Board Games (Mrs Layzell) (KS1 and KS2) Gardening Club (Miss Daldry) (KS1 and KS2) UKS2 Netball
Wednesday	Computing and Coding Library drop in	Rock Choir UKS2 Art Club (Mrs R and Miss Gee)
Thursday	Film club Library drop in	YR6 Maths Booster - Invite only (Mr Rough) KS1 Invasion Games
Friday	Mindfulness Library drop in	4/5/6 Quicksticks

WEBSITE

Please keep an eye on the school website as we update this regularly.

The address is:

www.groveprimaryschool.org

You can also follow us on:

Twitter: @groveprimaryCC

Facebook: Grove Primary School

Instagram: groveprimaryschool

CONTACT DETAILS

Please ensure we have your up to date contact details. This includes current address and telephone numbers.

We MUST have two contact telephone numbers in case of an emergency.

PARENTMAIL

Please ensure you sign up to ParentMail, this is how you will receive ALL means of communication.

Please speak to the school office, if you have any problems - paper copies may be available upon request.

ALLERGY INFORMATION

As you will already be aware, we are a nut-free school - we have children who have allergies to a variety of different nuts as well as peanuts - and ask that parents check the ingredients of items in packed lunches, avoiding anything that states it contains nuts.

Reading

World Book Day 2023

World Book Day will be on 2nd March this year. There will be activities in school to promote a love of reading during the week that World Book Day falls in. More details of the activities will follow in a separate news letter.

Your children should receive their £1 book tokens on World Book Day. These can be used to get money off books in participating books shops (for instance Waterstones in Lowestoft town centre) but they can also be used to buy one of the wonderful selection of World Book Day books. These are always high quality books, written by successful children's authors. We can highly recommend these books.

Promoting reading for pleasure at home

We know that reading is a crucial skill. We also know that children who read for pleasure tend to do better in school. There is strong evidence linking reading for pleasure and educational outcomes but the benefits of reading for pleasure go beyond this and stretch throughout a person's life. Reading increases our understanding of our own identity, improves empathy and gives us an insight into the world view of others. Here are some ideas for promoting a love of reading at home.

Reading Role Models

We need to make sure that the children see us reading. Many children see their parent on their phone and just assume that they are playing a game as that is what they would use the phone for. Not understanding that we may be reading. Similarly with kindles, children may think it is just a tablet.

The more they see the adults around them read, the more they will consider doing it themselves. Show them that it is fun!

Bedtime Stories

Due to time restraints, many families miss out on bedtime stories but the benefits are huge! Reading to your child for just 10 minutes a day/night can improve their vocabulary, encourage them to read independently and can also improve parent/child relationships. This is not just a KS1 issue. Older children love a bedtime story too (even if they won't always admit it!) Bedtime stories can be whatever you and your child want to read together! (Extra tip - Do the voices! You can have a good giggle together at your brilliant/miserable attempts at doing various accents...)

If you don't feel confident reading aloud there is always the CBeebies bedtime story, but do this as a family activity rather than the children on their own, then you can talk about the story together afterwards.

Book Talk

Sometimes, children will just want to sit and listen to a book because they are so engrossed in the story. This is completely fine, there is no need to quiz them after every chapter that you read. But sometimes informal book talk can be a fantastic way to discuss what has been read. Picture books lend themselves well to informal book talk because children want to explore and discuss the pictures, which often tell us so much more than the words.

- Make links/connections. Do the characters/settings remind you of anyone/anywhere? Have you been in a similar situation? Have you learnt about this from TV/School?
- Make predictions. Can you guess what the story is about? What will happen next? Discuss/introduce vocabulary. If there is a tricky word, can you explain what it means?
- Discuss emotions. How does the story make you feel? Some children find it hard to articulate their feelings, so if it is modelled for them by adults it can help them understand their own feelings.

Zones of Regulation

In the upcoming months, we will be introducing the Zones of Regulation programme to our school.

The Zones of Regulation is a curriculum based around the use of four colours/characters to help children self-identify how they're feeling and categorise it based on colour.

The curriculum also helps children better understand their emotions, sensory needs and thinking patterns. The children learn different strategies to cope and manage their emotions based on which zone they are in.

Children will be introduced to the 'Zones' and we will share further information with parents as the programme is embedded.

Blue	Green	Yellow	Red
			
Low	Happy	Wobbly	Angry
Running Slow	Good to Go	Caution	STOP
unhappy tired withdrawn tearful	positive proud calm focused	excited nervous frustrated annoyed	mad furious yelling aggressive

PARENT SEND CAFÉ

Tuesday 28th February at 10am
come and talk SEND.

Special guest speaker Speech and Language
Therapist: Alice King.

Safeguarding & Mental Health

If you notice that your child has feelings about how they and changes they may be going through are impacting on their day to day life, [Childline.co.uk](https://www.childline.co.uk) has some fantastic support and resources on their website for children struggling with body image and self esteem.

Suffolk Safeguarding Children Board
