19th April 2020

Dear families,

We do hope that you have had a lovely Easter break and are continuing to stay safe and positive during this difficult time.

We will be back from 9am tomorrow (Monday 20th April) to continue our online/home learning. Teachers will be available via email. Please contact office@groveprimaryschool.org if you need to speak with your child's teacher or a member of the senior leadership team.

Activities will be posted on this Facebook page as well as our website <https://grove-primary-school-lowestoft.secure-primariesite.n...>

In addition, the BBC Website Bitesize daily learning activities is great for all ages - <https://www.bbc.co.uk/bitesize/primary>

For those of you who heard the Government briefing session this evening, there is no date for a return to normal school at the moment. We continue to wait for further guidance from the Government and Department for Education.

You may also have heard that the Government will be providing laptops and access to the internet for disadvantage children including children with a social worker. We do not know how quickly this will be put in place or how the IT equipment will reach you. We will be in touch when we do.

If you are struggling to access the online learning, please contact the school office via office@groveprimaryschool.org If you are struggling to acquire pencils or paper, please contact us. We are hoping to put some home learning packs together which can be collected from the gates at the front of the school. We will be in touch with you about this over the coming week.

It is likely that we will be moving from the Wonde Free School Meals voucher system to a similar system. If you think you are entitled to free school meals but have not received vouchers, please contact office@groveprimaryschool.org

Please also remember that you are not teachers and we do not expect you to teach at home in this way. If anything, continue to spend time doing fun activities with your children, speak to them lots, read to them, enjoy family time.

Don't hesitate to contact us if needed.

Kind Regards

Rae Aldous

Executive Headteacher
